Dear Niagara-on-the-Lake Ambassadors,

On behalf of the entire Shaw Festival community, we would like to thank you for voicing your support to the Lord Mayor for the Royal George Theatre rebuild project. The fact that you believe in our vision and are working with us to see it to fruition means so much.

As you know, the Royal George Theatre is a gem in the heart of Niagara-on-the-Lake. It has been a cornerstone in the community for over 100 years, and it contributes an estimated \$70 million to the local economy. The continuation of the Royal George is a vital necessity.

Thank you, again, for helping to ensure the Royal George Theatre will continue to delight and inspire audiences for generations.

Sincerely,

Tim Jennings  
Executive Director
